INVITING RESEARCH PROPOSALS FOR FINANCIAL SUPPORT DURING THE FINANCIAL YEAR 2023-24

The Directorate of Environment and Climate Change (DoECC) is inviting project proposals under the Plan Scheme "Environmental Research and Development" from scientists, academicians, and technologists from government departments, educational and research institutions, NGOs and PSUs.

The Research and Development Scheme under DoECC is for promoting studies on relevant aspects of environmental concerns in the State that could be important in formulating strategies for effective environmental management. The scheme focuses on projects related to scientific and technological development for different environmental issues, conservation and management of natural resources to attain sustainable developmental goals, sustainable livelihoods, pollution prevention, etc. The project proposals should address a well-identified societal challenge and deliver possible solutions by way of the development of viable technology and techniques.

The application format and specific guidelines can be downloaded from the Directorate's website (www.envt.kerala.gov.in). Project proposals in the prescribed format should be sent to the following address on or before 25th October 2023.

The Director, Directorate of Environment & Climate Change, IV Floor, KSRTC Terminal Complex, Thampanoor PO, Thiruvananthapuram- 695001.

The envelope should be super-scribed with 'Project Proposals under the Plan Scheme: Environmental Research and Development, 2023-24'.

Director
