

State Wetland Authority Kerala (SWAK)

"Invitation for submissions: The Ramsar Sites photo exhibition at COP15"

Celebrating Ramsar Sites: A visual journey through wetlands

The Secretariat invites Contracting Parties, International Organization Partners, photographers, conservationists, and nature enthusiasts from around the world to submit their best photographs of Wetlands of International Importance "Ramsar Sites". These photos will help tell the story of these unique environments and their global importance at the 15th meeting of the Conference of the Contracting Parties (COP15) in Victoria Falls, Zimbabwe, celebrating the beauty, biodiversity and importance of Wetlands of International Importance worldwide.

Submission Guidelines

- **Theme:** Photos should capture the beauty, biodiversity and ecological significance of Ramsar Sites.
- **Eligibility:** Open to all individuals, regardless of age or professional background.
- **Format:** High-resolution digital images (JPEG or PNG), minimum resolution of 300 dpi.
- **Submission Limit:** Up to 2 photos per Contracting Party/individual photographer.
- **Deadline:** 28 February 2025.

Individual photographers can submit their photos using the link [Invitation for submissions: The Ramsar Sites photo exhibition at COP15](#).

More information can be accessed on the link [Invitation for submissions: The Ramsar Sites photo exhibition at COP15 | The Convention on Wetlands, The Convention on Wetlands](#).
