

Specific Guidelines of ‘Vidyaposhini Fellowship’ under ‘Environmental Research and Development’ Scheme

Directorate of Environment & Climate Change (DoECC) under the Department of Environment is established with an aim to coordinate all the Environment and Climate Change related activities in the State. The activities comprise create awareness for environment, climate change and conservation amidst all stakeholder of the society, research and monitoring in the field of environment and climate change, to take up State level development programmes and implement them in collaboration with appropriate agencies, etc.

The ‘Environmental Research and Development’ scheme under DoECC promotes research on various facets of ecology and environment for the conservation of the environment and natural resources, which helps in devising strategies and solutions for effective environmental management of the State.

The ‘Vidyaposhini fellowship’ is an initiative to support MA/ M.Sc /M.Tech students in Environmental Science/Environmental Engineering/ Environmental Technology/ Environmental Management/ Environmental Studies/ Climate Change studies by providing financial assistance to undertake short-term research projects in the field of Environment & Climate Change as part of their course work.

Application process (How to Apply)

The applications shall be invited each year and the same will be notified on the official website of DoECC. Interested candidates shall submit the application in the prescribed format.

Any student enrolled in Post Graduate courses in Environmental Science/Environmental Engineering/ Environmental Technology/ Environmental Management/ Climate Change Studies, in colleges and university departments in Kerala can apply for the fellowship. Students who are currently doing their 4th semester or the end of 3rd semester needs to apply for this fellowship.

It is mandatory that the applications (in the prescribed format) should be submitted along with the consent letter from the Teacher Investigator and Head of the Institution.

The selection of the project for the fellowship shall be done through evaluation by a technical committee duly constituted for the same. On the basis of the recommendations of the technical committee, the Directorate will make the final announcements. The decision of the DoECC in the selection process shall be final.

Financial Assistance

- The maximum financial assistance released to a selected project will be Rs.25,000/-
- The sanctioned grant will be disbursed to the Head of the Institution subject to the submission of the signed terms and conditions.
- Fifty percent of the total grant shall be released as the first instalment on submission of the signed terms and conditions and the remaining fifty percent shall be released only on the successful conduct of the project, and on submission of the final project report and financial statements, as per the norms of Govt. of Kerala.

The following should be noted before applying for the Vidyaposhini Fellowship Programme:

(Post-Graduation Fellowship Scheme – Vidhyaposhini)

1. The scheme provides financial assistance to the students enrolled in regular post-graduation courses in Environmental Science/Environmental Engineering/ Environmental Technology/ Environmental Management/ Environmental Studies/ Climate Change studies in colleges and university departments to undertake short-term research projects in the field of environment & Climate Change related studies as part of their course work.
2. This fellowship is exclusively for students who are currently enrolled in regular post-graduate courses at colleges and university departments in Kerala.
3. Students who are currently doing their 4th semester or the end of 3rd semester need to apply for this fellowship.
4. Applications should be submitted along with a consent letter (in the prescribed format) from the Principal Investigator and Head of the Institution. Both soft copies & hardcopies of the application. Applications received after deadline and incomplete applications will be summarily rejected.
5. The maximum financial assistance released to a selected project will be Rs.25, 000/-.
6. The selection of the project for financial assistance is done through evaluation of applications by a technical committee appointed for the same. The decision of DoECC in the selection of projects shall be final.
7. The duration of the project under the student project scheme will be six months from the date of sanction.
8. Under the scheme, grant will be sanctioned and released to the Head of the Institution, where the students are enrolled and the students have to work under the guidance/supervision of the faculty (Teacher Investigator). The awardees are encouraged to publish their findings in reputed scientific journals and present the results in scientific meetings/ seminars.
9. Prior approval from DoECC shall be taken in case of change in the Teacher Investigator of the project. However, under any circumstances, DoECC shall not entertain change in the student investigators of a sanctioned project.
10. The teacher investigator of the selected project shall forward the Terms and Conditions signed by the Head of the Institution within two weeks of receipt of the sanction letter.
11. Fifty percent of the total grant shall be released as the first instalment to the Head of the

Institution, on submission of the signed terms and conditions. The remaining fifty percent shall be released only on the successful conduct of the project, submission of the final project report duly certified by the Teacher Investigator and the Head of the Institute and financial statements (Both soft copies and hard copies) through proper channel, as per the norms of Govt. of Kerala.
